FROM THE CHAIR

Welcome to the PSD Stadium at Ruskin Drive for today's Liverpool County Junior Cup semi-final against Clay Brow.

Cup semi-finals have been rare indeed in Town open aged teams' recent history, but today we have two: this one and our U23s away to Parklands Reserves in the Intermediate Cup. The two games kick off at exactly the same time, and many of us here at Ruskin will be following the progress down the road by phone. Good luck to Matt Birchall and the lads in that.

Our First Team maintained its unbeaten status in the League last week, defeating Wigan Town 0-2 on a sunny day with a solid performance at Ince Rose Bridge. Cup games are a different thing, though and Clay Brow playing in a higher division we know this will be a tough game. We also know that our lads have shown marvellous belief and persistence all season, so we can approach the game with confidence.

We have only three away games left in the league, but six here at Ruskin. Our home support has been exceptional for this tier of football this season, despite not playing here for three months from mid-November until mid-February and some of the matches taking place in bloody nippy conditions. With so many games remaining here and the weather improving, we hope and intend that your support will play a big part in helping us achieve something special. Tell your mates: get down to Town!

Finally, a Parish Notice: week-in-week-out we hear a complaint or two about the price of sausage rolls at the Kiosk, or Babycham & Cherryade in the bar. We don't have any control over that, being tenants of a Council owned facility with a private leisure club. I promise you, when the happy day comes that we have a Town Ground of our own again, we'll do our bloody best on that front.

Meanwhile, we're conscious that though the cost of living is putting simple pleasures out of reach for many people, some of the best things in life are free – including entry to today's game and every game this season, thanks to the Free Football for All initiative supported by MCR Building Supplies. A big thank you from us to them.

Come on the Town!

A WORD WITH THE MANAGER

Myself and the club would like to welcome everyone from Clay Brow to Ruskin Drive this afternoon.

No matter what the score is, we hope you'll join us after the game for refreshments in The Wicket bar.

We land back at home for today's game on the back of another 2 wins. The first was a cracking game in the local derby against Haydock who, as expected, turned up fired up and on top form. After yet another slow start where we found ourselves 2-0 down at half time, we turned the game on its head in the second half and completely blew them away to run out 4-2 victors.

This was followed by what was arguably for me the performance of the season so far. Not the best we have played, but the way we applied ourselves and controlled the game against a very tough and much improved Wigan Town, on a tough grass pitch (yes in this day and age there are a few) was so good. Our game management was just perfect and to come away with a deserved 2-0 victory was brilliant.

On to today's game and we welcome Clay Brow FC who have settled into Division 1 very comfortably. After gaining promotion last year, they lie 8th in their league so for us it's again another tough test where we can have a nice distraction from the league fixtures and maybe get to a cup final!!

We will be asking the lads to go out and challenge themselves against a higher team and it gives us chance to see where we are up to in terms of levels. I trust the lads completely and I know they will give everything to try and achieve the result.

Enjoy the game and as always your support is appreciated more than you know let's get behind the boys and try to get to our first cup final in nearly 30 years.

A BRIEF HISTORY OF TOWN

The original St. Helens Town club was formed in 1901 and played at Park Road, behind the Primrose Vaults public house. Although it was known as the Primrose Ground, the players changed further down Park Road at the Black Horse pub. Playing in the Lancashire League and Lancashire Combination, the team enjoyed some early success, but struggled after the Great War and appears to have folded midway through the 1928/29 season.

The club was re-formed by George Fryer and a group of local businessmen in 1946. They took out a lease of the former cricket ground at Hoghton Road, Sutton, adjacent to the St. Helens Junction railway station and, although it entered in the FA Cup in the 1946/47 season, a team could not be raised in time to fulfil its tie with Prescot Cables.

Friendly games were played, then local team Derbyshire Hill Rovers were taken over in April 1947, those players forming the nucleus of the team which entered the Liverpool County Combination at the start of the 1947/48 season. St. Helens Town soon began to prosper and early results included a sensational 10-4 win over Everton "A" on 6th December 1947. Former German prisoner-of-war Bert Trautmann joined the club in the Summer of 1948, the strapping goalkeeper helping the team to win its first trophy, the George Mahon Cup, which was secured with a 2-1 win over Runcorn at Prescot on 7th May 1949. Crowds averaged over 2000 that season, peaking with a league record attendance of 3012 against Burscough in October 1948.

The following season, 1949/50, Town entered the Lancashire Combination and, despite losing Trautmann to Manchester City in October 1949, they won the Second Division title in some style the

following season, three players, Albert Leadbetter (36), Harry McCann (32) and Terry Garner (31) all netting over 30 goals apiece. An all-time club record attendance of "between 8000 and 9000" witnessed a friendly game against Manchester City, arranged as part of the Trautmann transfer deal, in April 1950 and another 4000 witnessed a second match with City the following season.

Although relegated by a slender margin from the First Division in 1951/52, the club continued to look forward, even contemplating Football League status and, in order to further its ambitions, moved to the former St. Helens Recs. rugby league ground at City Road. Initial crowds were encouraging but, despite success, the club decided to move back to Hoghton Road in October 1953, where they remained until April 2000.

Town produced a number of fine players who joined Football League clubs, including Bill Foulkes (Manchester United), John Quinn (Sheffield Wednesday) and John Connelly who joined Burnley, later transferring to Manchester United and who played in the England 1966 World Cup winning squad. More recently, Dave Bamber scored goals in all four divisions of the league with a host of different clubs, starting and ending

his league career at Blackpool and in more recent times, Karl Ledsham, who had a productive career at conference level with Southport, Lincoln City, Barrow and Stockport County before moving to the USA.

Following a second relegation in 1956, St. Helens Town continued to play in the Lancashire Combination, winning the Championship in 1971/72, by nine points ahead of Accrington Stanley.

However, the formation of the Northern Premier League in 1968 led to a gradual drain of stronger clubs from the Combination and St. Helens joined the Cheshire League in 1975, becoming founder members of the North West Counties League seven years later. They held the proud record of being the only club

to play in the NW Counties' top flight every season until they were relegated in April 2015, conceding an injury-time equaliser to Silsden in the last game of the season, a match they had to win to stay up.

Town enjoyed a golden era in the late 1980s, just missing out on an appearance in the First Round proper of the FA Cup in 1985/86, losing to Morecambe in a Fourth Qualifying Round Replay, but they obtained ample compensation by winning the FA Vase at Wembley in 1987, beating near neighbours Warrington Town 3-2, with two goals from Phil Layhe and one from Brian Rigby.

They were regular promotion candidates for many years, largely due to the scoring exploits of Steve "Pellet" Pennington, who grabbed 216 goals in 351 games, his season's best hauls of 45 in 1993/94 and 46 in 1997/98 just failing to beat the club record of 47 scored by Phil Stainton in 1963/64. Former club captain Andy Gillespie won the NW Counties' golden boot with 34 goals in the 2015/16 season and netted another 24 times the following season.

Town moved from Hoghton Road in 2000 to ground share with St. Helens RFC, as part of the merger into the new Sporting Club St. Helens. Developing the new Saints stadium took years longer than anticipated, and when Knowsley Road closed in 2010 Town became nomads, plaig variously at Ashton Town, Ashton Athletic, Prescot Cables and Atherton Collieries. Town returned to St. Helens Borough in August 2017, playing on a 3G surface at Ruskin Drive, after St. Helens Council redeveloped the facilities.

The 2021-22 season saw Town in the NW CFL First Division North. It was a disastrous campaign, with only four wins and four draws from 36 league games. The club finished bottom of the table, 21 points adrift, and was relegated to the Liverpool County Premier League.

A consortium of Town fans bought the club from St. Helens RFC in Summer 2022. They took the decision to move it to the Cheshire League, believing it offered the most constructive environment in which to rebuild the club. It was a difficult decision, however, as it involved having to start at the bottom of that league system, a further two divisions down. The 2023/24 season was the first in the Cheshire League.

The rebuild is ongoing.

LAST TIME OUT

Wigan Town 0 - 2 Town - March 1st

St. Helens Town visited Wigan Town in an encounter that would prove difficult at the home of Ince Rose Bridge RLFC.

The notoriously heavy pitch that is shared between the football club and the Wigan based rugby club was a concern going into this fixture for Paul Piert's men and the Manager gave a debut to ex Ashton Athletic midfielder Charlie Middlemore.

To be fair, the ground staff had done an excellent job with the pitch and Middlemore acquitted himself well in a goalless first half before being withdrawn at half time through injury.

Town probably edged the opening stanza on points although Wigan were in no mood to roll over with ex Town forward Ellis Daverin proving a handful for the home side and captain Aaron Simpson in good form.

Town's best chances were a Marc Gibson header which the Wigan keeper turned over the bar and a Charlie Leech effort that he fired over the bar as the ball bobbed up.

Leech was in terrific form and proving to be a thorn in the Wigan side highlighting why he was recently named as Town's Griffin Inn player of the month award winner.

The second half was much the same as the first and Wigan proved to be a threat, the solid handling of Town keeper Lewis Jenkinson would be called upon more than once with long range Wigan efforts.

On 62 minutes the deadlock was broken however when strong pressing from Ryan Cook and Leech resulted in Leech intercepting the ball in the Wigan penalty area.

He squared to Will Clapham who was able to finish calmly and put Town one up. The remaining half hour would be tense but the blues could finally breathe on 90 minutes when club captain Liam's Diggle's powerful free kick was parried and man of the moment Charlie Leech put the rebound in to seal the Town win 0-2.

Leech was named St Helens Borough Food Pantry player of the match and Town are now 9 points clear at the top of the league.
