FROM THE CHAIR

Welcome to the PSD Stadium at Ruskin Drive for the second in our late Autumn run of matches in St. Helens, and in particular to our visitors from Styal.

Our lads showed great spirit in scoring two late goals to secure victory against Sandbach United (Reserves) a fortnight back, and will hopefully be refreshed after last Saturday off.

I used to the First Team's break to go to watch the U23s, away at....Sandbach United (Development). Our team was excellent, winning 1-5 and looking a threat every time they went forward. That makes five consecutive wins, scoring 22 goals in the process.

One of the victories was at Halton Farnworth Hornets, where goalkeeper Ellis Evans suffered a band hand injury. Ellis had reconstructive surgery last week and is facing a long spell away from the game, unfortunately. He remains positive and keenly interested in how his teammates are getting on, and I know he enjoyed the Sandbach result immensely. Everyone at Town wishes him all the very best, and we look forward to seeing him in person soon.

A special mention for our U18s goalkeeper Callum Davies, too, who as well as playing very well for that team stepped in for Ellis in the U23s last weekend, and has even played recently for the First Team. Thank you and really well done to Callum.

This evening we have a "Beat the Yicker" quiz fundraising night here at The Wicket. Quiz Master "Langers" Yick will be familiar to almost all

of you as our matchday announcer, and to many as the author of the excellent football quiz in each of these programmes. Whilst football will (of course) be central to this evening's posers, he will also venture into Sintellins general knowledge and a few surprises that will bring a touch of Ally Pally to the atmosphere. All are welcome, £5 a ticket – just speak to one of us at the game if you'd like to come along.

Come on the Town!

A WORD WITH THE MANAGER

Peo & Seddo

Myself and the club would like to welcome everyone from Styal to Ruskin Drive this afternoon.

No matter what the score is, we hope you'll join us after the game for refreshments in The Wicket bar.

We go into today's game on the back of a number of good performances and results, but we are wary as Style inflicted one of our defeats this season so we are out to hopefully get 3 points back.

Touching on our last game against Sandbach, it was very pleasing to see the never say die attitude against a team who did a great job of sitting back and trying to snatch anything they could.

Them results are just as pleasing as any 3 or 4 nils.

Big shout out to Dean Curtis who has settled seamlessly into our squad and has shown his quality and experience over the past few weeks he's been a great addition to our group.

Thank you for your support and keep getting behind the lads.

A BRIEF HISTORY OF TOWN

The original St. Helens Town club was formed in 1901 and played at Park Road, behind the Primrose Vaults public house. Although it was known as the Primrose Ground, the players changed further down Park Road at the Black Horse pub. Playing in the Lancashire League and Lancashire Combination, the team enjoyed some early success, but struggled after the Great War and appears to have folded midway through the 1928/29 season.

The club was re-formed by George Fryer and a group of local businessmen in 1946. They took over a lease of the former cricket ground at Houghton Road, Sutton, adjacent to the St. Helens Junction railway station and, although it entered in the FA Cup in the 1946/47 season, a team could not be raised in time to fulfil its tie with Prescot Cables.

Friendly games were played, then local team Derbyshire Hill Rovers were taken over in April 1947, those players forming the nucleus of the team which entered the Liverpool County Combination at the start of the 1947/48 season. St. Helens Town soon began to prosper and early results included a sensational 10-4 win over Everton "A" on 6th December 1947. Former German prisoner-of-war Bert Trautmann joined the club in the Summer of 1948, the strapping goalkeeper helping the team to win its first trophy, the George Mahon Cup, which was secured with a 2-1 win over Runcorn at Prescot on 7th May 1949. Crowds averaged over 2000 that season, peaking with a league record attendance of 3012 against Burscough in October 1948.

The following season, 1949/50, Town entered the Lancashire Combination and, despite losing Trautmann to Manchester City in October 1949, they won the Second Division title in some style the

following season, three players, Albert Leadbetter (36), Harry McCann (32) and Terry Garner (31) all netting over 30 goals apiece. An all-time club record attendance of "between 8000 and 9000" witnessed a friendly game against Manchester City, arranged as part of the Trautmann transfer deal, in April 1950 and another 4000 witnessed a second match with City the following season.

Although relegated by a slender margin from the First Division in 1951/52, the club continued to look forward, even contemplating Football League status and, in order to further its ambitions, moved to the former St. Helens Recs. rugby league ground at City Road. Initial crowds were encouraging but, despite success, the club decided to move back to Houghton Road in October 1953, where they remained until April 2000.

Town produced a number of fine players who joined Football League clubs, including Bill Foulkes (Manchester United), John Quinn (Sheffield Wednesday) and John Connelly who joined Burnley, later transferring to Manchester United and who played in the England 1966 World Cup winning squad. More recently, Dave Bamber scored goals in all four divisions of the league with a host of different clubs, starting and ending

his league career at Blackpool and in more recent times, Karl Ledsham, who had a productive career at conference level with Southport, Lincoln City, Barrow and Stockport County before moving to the USA.

Following a second relegation in 1956, St. Helens Town continued to play in the Lancashire Combination, winning the Championship in 1971/72, by nine points ahead of Accrington Stanley.

However, the formation of the Northern Premier League in 1968 led to a gradual drain of stronger clubs from the Combination and St. Helens joined the Cheshire League in 1975, becoming founder members of the North West Counties League seven years later. They held the proud record of being the only club

to play in the NW Counties' top flight every season until they were relegated in April 2015, conceding an injury-time equaliser to Silsden in the last game of the season, a match they had to win to stay up.

Town enjoyed a golden era in the late 1980s, just missing out on an appearance in the First Round proper of the FA Cup in 1985/86, losing to Morecambe in a Fourth Qualifying Round Replay, but they obtained ample compensation by winning the FA Vase at Wembley in 1987, beating near neighbours Warrington Town 3-2, with two goals from Phil Layhe and one from Brian Rigby.

They were regular promotion candidates for many years, largely due to the scoring exploits of Steve "Pellet" Pennington, who grabbed 216 goals in 351 games, his season's best hauls of 45 in 1993/94 and 46 in 1997/98 just failing to beat the club record of 47 scored by Phil Stainton in 1963/64. Former club captain Andy Gillespie won the NW Counties' golden boot with 34 goals in the 2015/16 season and netted another 24 times the following season.

Town moved from Houghton Road in 2000 to ground share with St. Helens RFC, as part of the merger into the new Sporting Club St. Helens. Developing the new Saints stadium took years longer than anticipated, and when Knowsley Road closed in 2010 Town became nomads, plaig variously at Ashton Town, Ashton Athletic, Prescot Cables and Atherton Collieries. Town returned to St. Helens Borough in August 2017, playing on a 3G surface at Ruskin Drive, after St. Helens Council redeveloped the facilities.

The 2021-22 season saw Town in the NW CFL First Division North. It was a disastrous campaign, with only four wins and four draws from 36 league games. The club finished bottom of the table, 21 points adrift, and was relegated to the Liverpool County Premier League.

A consortium of Town fans bought the club from St. Helens RFC in Summer 2022. They took the decision to move it to the Cheshire League, believing it offered the most constructive environment in which to rebuild the club. It was a difficult decision, however, as it involved having to start at the bottom of that league system, a further two divisions down. The 2023/24 season was the club's first in Cheshire League Division 2. The following season Town finished 11 points clear having lost only one league game in the whole campaign, securing their first title for more than 50 years and promotion to Division 1.

The rebuild is ongoing.

TOWN IN THE TOWN NOMINATED FOR PRIDE OF ST HELENS AWARD

We're proud to share that our community partners, **Town in the Town CIC**, have once again been nominated for a **Pride of St Helens Award**, taking place on **Thursday 28th November**.

The team were finalists last year but narrowly missed out — and we're hoping this year will be their time to shine!

Run by a small group of dedicated volunteers — **Me, Amber and Gill** — Town in the Town continues to make a real difference in our community. Their projects include **Hope United FC**, a team made up of members of our refugee and asylum seeker community, and the **Community Cup**, bringing together local organisations to tackle stigma and promote inclusion through football.

They've also supported fee-free football sessions for young people, collaborated with groups such as **Come Together** and **CGL St Helens**, and continue to use sport as a way to connect people and strengthen community ties.

I'm sure everyone at **St Helens Town AFC** wishes them the very best of luck at the awards — we'll be keeping a close eye on the results and cheering them on all the way!

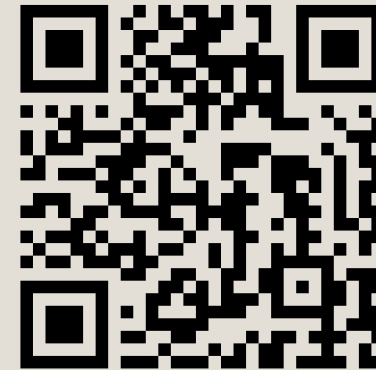

Our first award back in 2023 when Town in the Town was just a dream. St Helens Borough Business Awards, Community Champion.

HOPE UNITED HEAD TO ROCHDALE

This Wednesday, Hope United make the trip over to Rochdale to take on a team of refugees and asylum seekers run by Rochdale AFC Community Trust.

This fixture has been a long time coming — I first spoke with Liz Cotterill from Rochdale's community team almost two years ago, back when we were just at the beginning of the Hope United journey. It's fantastic to finally get the date in the diary and bring the two groups together for what promises to be a special afternoon

of football, friendship, and shared values.

Both clubs share a commitment to inclusion and opportunity through sport. Like us, Rochdale's programme supports people seeking sanctuary, offering them not only a place to play but also a sense of belonging, confidence, and connection within the wider community.

For Hope United, fixtures like this are about far more than the result on the pitch. They're a chance for players to meet others with similar stories and experiences, to represent our town with pride, and to continue building the spirit of unity that defines what our project is all about.

We'd like to thank Liz and everyone at Rochdale AFC Community Trust for hosting us — and we look forward to a great game played in the right spirit.

Stay cultured

IN A funny way, Kevin Horlock's quote after Maldon & Tiptree's defeat to Port Vale encapsulated what the FA Cup is all about.

"We had them on the ropes for five minutes – we probably scored 85 minutes too soon," the Jammers boss said of Anisius Lewis' very early strike that put the Step 4 side ahead, "but what a magical moment."

Less than 20 minutes later and Horlock's side were 4-1 down to the League One Valiants, the lowest-ranked team in the first round's FA Cup adventure was coming to an end.

But it's those moments that make the FA Cup. For a few minutes, nine to be more precise, their travelling fans would have been wondering 'what if'.

We all know about the financial rewards that comes with the FA Cup – the TV cash to boost the coffers, the benefit of prize money, extra sponsorship and ticket sales. But, also, it gives unforgettable moments.

Think of Havant & Waterlooville all those years ago when they led the mighty Liverpool not once but twice at Anfield. Think of Kidderminster Harriers taking West Ham to the final moments before Declan Rice bailed the Premier League side out.

Think of Tamworth last season as they took Tottenham into extra-time but almost won it in the dying stages of the 90 minutes.

At the weekend Chelmsford City caused the first upset of round one when they beat Braintree Town at Saturday lunchtime – a feat repeated by fellow Step 2 sides Weston-super-Mare, who knocked out Aldershot Town, and Slough Town as they piled the woe on Altrincham.

There were some all Non-League ties that brought Sutton United, Wealdstone and Buxton success and a place in the second round.

We also saw Gateshead upset League One AFC Wimbledon, Brackley Town beat Notts County on penalties and Boreham Wood take, what feels like, their annual EFL scalp in Crawley Town.

Carlisle United looked to be on their way out at Reading before Regan Linney scored two stoppage-time goals to force extra-time – where he then scored the winner to complete his hat-trick.

"It was a good three points," he accidentally said live on Match of the Day the next day. "I've crumbled here!" Thankfully the striker doesn't crumble when he's in the box!

"Where's the matchball?" presenter Jason Mohammad asked. "It's still in my car," Linney responded with a smile. That's the magic of the FA Cup!
