FROM THE CHAIR

Welcome to the PSD Stadium at Ruskin Drive for our second match of the year, and especially to our visitors from Congleton.

We were rusty in last week's defeat to Winsford, following six weeks without a game. Winsford were good and deserved their victory, and I'm sure will finish very high in the table. With that game and another training session under our collective belt, we're aiming for a different result today.

Our U23s continued their excellent run at home to Moore United (Development) with a comfortable 5-1 victory last Saturday. They open proceedings today in the 12.15 kick off against Warrington Rylands (Development Reserves), a six-pointer in the race for promotion places. By the time you read this we will know how it went, but rest assured I had my fingers crossed for them.

The U18s went down 4-2 at Stalybridge Celtic last Sunday, though they played some lovely football and with a very young team for the age group are heading in the right direction. They are on the road again tomorrow, to Nantwich, hopefully with travelling support.

I find supporting all our teams a salve given the world we're living in at the moment. The noise, horrors and controversy can be distracting and stressful. Even in football, FIFA's antics, unfathomable finances and the tendency towards self-serving hysteria in punditry and journalism put a bewildering distance between the elite game (business, I should say) and normal people.

Recently I visited relatives in one of the houses in Parr I grew up in. It took me back to when there were about 25 family members living in eight houses in just two streets. Many of them worked together (or had done at some point) and we kids went to the same schools. Conversation focused on real life

experiences at work and school, sport and the telly, with national and international events only getting a look in when there was a big strike or a small war.

In some ways life then was worse than it is now - nostalgia can be a seductive liar. There is much to be said for the old focus on the local and in-person, however. The best elements of community spirit from decades past survive in non-league football on our doorstep every week. Being involved in Town is to be part of a family, and Saturday is the day we get together. Everyone is welcome, as this is your Club.

Come on The Town!

A WORD WITH THE MANAGER

Peo & Seddo

Myself and the club would like to welcome everyone from Congleton Town to Ruskin Drive this afternoon.

No matter what the score is, we hope you'll join us after the game for refreshments in The Wicket bar.

Firstly I would like to thank everyone in attendance today, your continued support is truly appreciated by everyone involved with the club, so thank you again.

Last week was a really disappointing return after the Christmas period. You may say the result was expected given the team have not played for 5/6 weeks, but the lads know this, they know where it went wrong, and the squad have worked really hard this week in training.

As for today's game, it's a perfect opportunity to get back on track. As we have learned so far there are no easy games in this division so we don't expect to have it all our own way, but hopefully put in a much better performance, make a much better account of ourselves and come away with 3 points.

A BRIEF HISTORY OF TOWN

The original St. Helens Town club was formed in 1901 and played at Park Road, behind the Primrose Vaults public house. Although it was known as the Primrose Ground, the players changed further down Park Road at the Black Horse pub. Playing in the Lancashire League and Lancashire Combination, the team enjoyed some early success, but struggled after the Great War and appears to have folded midway through the 1928/29 season.

The club was re-formed by George Fryer and a group of local businessmen in 1946. They took out a lease of the former cricket ground at Hoghton Road, Sutton, adjacent to the St. Helens Junction railway station and, although it entered in the FA Cup in the 1946/47 season, a team could not be raised in time to fulfil its tie with Prescot Cables.

Friendly games were played, then local team Derbyshire Hill Rovers were taken over in April 1947, those players forming the nucleus of the team which entered the Liverpool County Combination at the start of the 1947/48 season. St. Helens Town soon began to prosper and early results included a sensational 10-4 win over Everton "A" on 6th December 1947. Former German prisoner-of-war Bert Trautmann joined the club in the Summer of 1948, the strapping goalkeeper helping the team to win its first trophy, the George Mahon Cup, which was secured with a 2-1 win over Runcorn at Prescot on 7th May 1949. Crowds averaged over 2000 that season, peaking with a league record attendance of 3012 against Burscough in October 1948.

The following season, 1949/50, Town entered the Lancashire Combination and, despite losing Trautmann to Manchester City in October 1949, they won the Second Division title in some style the

following season, three players, Albert Leadbetter (36), Harry McCann (32) and Terry Garner (31) all netting over 30 goals apiece. An all-time club record attendance of "between 8000 and 9000" witnessed a friendly game against Manchester City, arranged as part of the Trautmann transfer deal, in April 1950 and another 4000 witnessed a second match with City the following season.

Although relegated by a slender margin from the First Division in 1951/52, the club continued to look forward, even contemplating Football League status and, in order to further its ambitions, moved to the former St. Helens Recs. rugby league ground at City Road. Initial crowds were encouraging but, despite success, the club decided to move back to Hoghton Road in October 1953, where they remained until April 2000.

Town produced a number of fine players who joined Football League clubs, including Bill Foulkes (Manchester United), John Quinn (Sheffield Wednesday) and John Connelly who joined Burnley, later transferring to Manchester United and who played in the England 1966 World Cup winning squad. More recently, Dave Bamber scored goals in all four divisions of the league with a host of different clubs, starting and ending

his league career at Blackpool and in more recent times, Karl Ledsham, who had a productive career at conference level with Southport, Lincoln City, Barrow and Stockport County before moving to the USA.

Following a second relegation in 1956, St. Helens Town continued to play in the Lancashire Combination, winning the Championship in 1971/72, by nine points ahead of Accrington Stanley.

However, the formation of the Northern Premier League in 1968 led to a gradual drain of stronger clubs from the Combination and St. Helens joined the Cheshire League in 1975, becoming founder members of the North West Counties League seven years later. They held the proud record of being the only club

to play in the NW Counties' top flight every season until they were relegated in April 2015, conceding an injury-time equaliser to Silsden in the last game of the season, a match they had to win to stay up.

Town enjoyed a golden era in the late 1980s, just missing out on an appearance in the First Round proper of the FA Cup in 1985/86, losing to Morecambe in a Fourth Qualifying Round Replay, but they obtained ample compensation by winning the FA Vase at Wembley in 1987, beating near neighbours Warrington Town 3-2, with two goals from Phil Layhe and one from Brian Rigby.

They were regular promotion candidates for many years, largely due to the scoring exploits of Steve "Pellet" Pennington, who grabbed 216 goals in 351 games, his season's best hauls of 45 in 1993/94 and 46 in 1997/98 just failing to beat the club record of 47 scored by Phil Stainton in 1963/64. Former club captain Andy Gillespie won the NW Counties' golden boot with 34 goals in the 2015/16 season and netted another 24 times the following season.

Town moved from Hoghton Road in 2000 to ground share with St. Helens RFC, as part of the merger into the new Sporting Club St. Helens. Developing the new Saints stadium took years longer than anticipated, and when Knowsley Road closed in 2010 Town became nomads, plaig variously at Ashton Town, Ashton Athletic, Prescot Cables and Atherton Collieries. Town returned to St. Helens Borough in August 2017, playing on a 3G surface at Ruskin Drive, after St. Helens Council redeveloped the facilities.

The 2021-22 season saw Town in the NW CFL First Division North. It was a disastrous campaign, with only four wins and four draws from 36 league games. The club finished bottom of the table, 21 points adrift, and was relegated to the Liverpool County Premier League.

A consortium of Town fans bought the club from St. Helens RFC in Summer 2022. They took the decision to move it to the Cheshire League, believing it offered the most constructive environment in which to rebuild the club. It was a difficult decision, however, as it involved having to start at the bottom of that league system, a further two divisions down. The 2023/24 season was the club's first in Cheshire League Division 2. The following season Town finished 11 points clear having lost only one league game in the whole campaign, securing their first title for more than 50 years and promotion to Division 1.

The rebuild is ongoing.

MORE THAN A GAME: BERT, BELIEF & BRINGING PEOPLE TOGETHER

*Last week I wrote about the screening of **The Keeper**, the Bert Trautmann biopic, hosted at the brilliant **Lucem House Cinema on Corporation Street**. A proper setting for a proper story.*

On the surface, it's football folklore: a former German prisoner of war becomes a Manchester City legend and FA Cup hero. Fairy-tale stuff. But Bert's story is so much bigger than football. As I've said more times than I can count, Trautmann's life is about strength in the face of adversity, about forgiveness when bitterness would be easier... and about something that feels increasingly rare these days: empathy.

Remember empathy? I'm sure we were taught about it at school. Somewhere between playground assemblies and half-forgotten PSHE lessons. Yet in a world

gripped by extreme opinions, shouting matches online, and an ever-tightening cost-of-living crisis, empathy feels like it's in dangerously short supply. We all carry stories. Real ones. Heavy ones. And football—at its best—has a way of reminding us of that.

That belief sits right at the heart of my involvement with Town in the Town, the club's charitable arm. Along with my fellow TitTs (yes, I went there), we use football—and St Helens Town itself—as a tool to reach those on the edges of our community. Young people at risk of becoming NEET (Not in Education, Employment or Training), those suffering from loneliness and isolation, people battling addiction, and of course our sister club Hope United, who do incredible work alongside refugee and asylum-seeking communities.

It's powerful stuff. And it works.

Poster from the last time TSV Uhlbach visited Ruskin

Photo from last Wednesday's Hope United session

Our Ste (Mr Chairman to you) stands proudly with the team we took to Stuttgart in 2023. Can you spot the players still with us, and the imposter.

Which is why I'm buzzing to announce that thanks to funding from the Windle Ward Grant Scheme, and the support of the wonderful Councillor Lynn Clarke, we're launching FREE indoor football sessions for women of all abilities. These sessions are about more than football—though that helps—they're about fitness, socialising, confidence, fun, and bringing women from across our communities together in a welcoming, inclusive space.

And there's more culture on the horizon too. I'm genuinely excited about the upcoming visit from our friends at TSV Uhlbach in Stuttgart. Our Chair, Ste, has been the driving force behind our Anglo-German relationship for years now, and it's a huge part of what first drew me to the club. It's about shared history, understanding, and showing that football connections can transcend borders and generations. I'm particularly looking forward to showing off our ever-growing collection of memorabilia and artefacts—especially our Trautmann-related pieces. I like to think Bert would've loved it.

Anyroads... there is something else I'm dying to tell you. Something very special. A new project, deeply rooted in Bert's story, and one that Town in the Town will be part of. But you'll have to wait until next week for that. Consider this your cliffhanger.

Until then—enjoy the match, stay cultured, look out for one another, and as always...

C'mon The Town!

TOWN IN ACTION

Town 0-4 Winsford Town - January 7th

Photos by Mary Castrogiovanni

Town's first game for seven weeks brought them back down to earth with a bump as title favourites Winsford Town beat the Marksmen 0-4 at Ruskin Drive.

Winsford scored all four goals inside the first 35 minutes. Hughes, Stanton, Patterson, O'Mara would strike clinically for the visitors and Town had no answer with the recent break in fixtures for Town due to several postponements having a visible effect.

Town rallied in the second half and Oliver Filson's defensive performance at centre back did not deserve to be on the losing side and was one of the few bright spots on a tough day for the home side.

He was supported well by second half substitutes Chris Foster, Pacey Garrett and Ben Noonan who gave the Town faithful something to rally behind.

Taylor Prescott's workrate earned him the St Helens Borough Food Pantry player of the match award.
