FROM THE CHAIR

Welcome to the PSD Stadium at Ruskin Drive for the first game of our 2025/26 Cheshire League Division 1 campaign, against Egerton FC.

Resuming competitive football in July having only completed the last season in May feels like a very short break. It has been even shorter for the players, though, who started running up and down hills in Sherdley Park just days after our presentation evening. They have had a good pre-season, largely playing against teams from higher divisions and proving more than competitive against them.

As usual in football, some players and coaches have moved on and new faces have arrived, joining the long-serving stalwarts that have played such a role in our recent success. Off the pitch, one of our Vice Chairs Neil Hitchen has stepped down, having played an important role in supporting our rebuild over the past three years. We'll miss his calm, business-like input and we wish him well for the future. Former Town First Team manager Lee Jenkinson has joined our Committee, and filled the Vice Chair vacancy, bringing lots of valuable knowledge and experience to our group. We welcome Lee back to the club, and look forward to

working with him.

We continue to be grateful to our sponsors, who make everything we do possible. Thanks again to CBS, MCR Building Supplies, A.E.

Holland, The Griffin and all our other supporters, including those who have recently taken pitchside boards and/or sponsored players. Thanks also to PSD Vehicle Rental, who have extended their sponsorship of the ground here at Ruskin. We hope you all enjoy this season's journey with us.

Finally, I achieved the ambition of a lifetime last week...by making a pilgrimage to Gorden Ottershaw's house. 'Golden Gordon' is the iconic superfan of Barnstoneworth United, titans of the Yorkshire non-league scene in the 1920s, who fell on hard times in the 30s. Created by Michael Palin and Terry Jones as part of the second series of Ripping Yarns, we can all

recognise a bit of ourselves in Gorden. The famous '8-1...8 bloody 1!' scenes were shot at the house on the left, in Bronte Street, Keighley. It was a treat to see it in person, and made me thankful that it is now a little while since Town fans were given cause to throw the carriage clock through the front window. Long may it stay on the mantelpiece.

Come on the Town!

A WORD WITH THE MANAGER

Myself and the club would like to welcome everyone from Egerton to Ruskin Drive this afternoon.

No matter what the score is, we hope you'll join us after the game for refreshments in The Wicket bar.

Peo & Seddo

Well here we go again! Pre-season done, and the real games begin. It doesn't seem two minutes ago we were enjoying lifting the Division 2 trophy with everyone involved, and it's my first opportunity to thank absolutely everyone who was there with us all last season.

Now we draw a line in the sand and we start all over again as the new boys in Div 1 of the Cheshire League.

Pre-season has been fantastic; fitness levels should be flying, the footy sessions have been sharp, confidence has been superb. We have had some really good tests in the matches with everyone getting lots of game time.

We had some players leaving and we thank them for their efforts while they were with us, we have undoubtedly improved the squad with the players coming in and you should be very excited. More importantly we have retained the players who were crucial to everything last year.

Welcome to the new u23's management Danny and Gav, you'll recognise them as you see them around the club and get to know them, they again have had a great pre-season working alongside myself, Seddo, and the returning Lee o Connor. Including Kenny on match days, we are made up with the structure of the club and that extends to Carlos who has done a fantastic job building a new u18's squad.

Welcome today to Egerton who had a strong season last time round finishing a good 5th in the division and I'm sure they will be looking to improve on that this year. As always we will concentrate on all we can do all we can control and keep our house in order. Please as always be loud and proud of your club and support the lads till the end. Xx

A BRIEF HISTORY OF TOWN

The original St. Helens Town club was formed in 1901 and played at Park Road, behind the Primrose Vaults public house. Although it was known as the Primrose Ground, the players changed further down Park Road at the Black Horse pub. Playing in the Lancashire League and Lancashire Combination, the team enjoyed some early success, but struggled after the Great War and appears to have folded midway through the 1928/29 season.

The club was re-formed by George Fryer and a group of local businessmen in 1946. They took out a lease of the former cricket ground at Hoghton Road, Sutton, adjacent to the St. Helens Junction railway station and, although it entered in the FA Cup in the 1946/47 season, a team could not be raised in time to fulfil its tie with Prescot Cables.

Friendly games were played, then local team Derbyshire Hill Rovers were taken over in April 1947, those players forming the nucleus of the team which entered the Liverpool County Combination at the start of the 1947/48 season. St. Helens Town soon began to prosper and early results included a sensational 10-4 win over Everton "A" on 6th December 1947. Former German prisoner-of-war Bert Trautmann joined the club in the Summer of 1948, the strapping goalkeeper helping the team to win its first trophy, the George Mahon Cup, which was secured with a 2-1 win over Runcorn at Prescot on 7th May 1949. Crowds averaged over 2000 that season, peaking with a league record attendance of 3012 against Burscough in October 1948.

The following season, 1949/50, Town entered the Lancashire Combination and, despite losing Trautmann to Manchester City in October 1949, they won the Second Division title in some style the

following season, three players, Albert Leadbetter (36), Harry McCann (32) and Terry Garner (31) all netting over 30 goals apiece. An all-time club record attendance of "between 8000 and 9000" witnessed a friendly game against Manchester City, arranged as part of the Trautmann transfer deal, in April 1950 and another 4000 witnessed a second match with City the following season.

Although relegated by a slender margin from the First Division in 1951/52, the club continued to look forward, even contemplating Football League status and, in order to further its ambitions, moved to the former St. Helens Recs. rugby league ground at City Road. Initial crowds were encouraging but, despite success, the club decided to move back to Hoghton Road in October 1953, where they remained until April 2000.

Town produced a number of fine players who joined Football League clubs, including Bill Foulkes (Manchester United), John Quinn (Sheffield Wednesday) and John Connelly who joined Burnley, later transferring to Manchester United and who played in the England 1966 World Cup winning squad. More recently, Dave Bamber scored goals in all four divisions of the league with a host of different clubs, starting and ending

his league career at Blackpool and in more recent times, Karl Ledsham, who had a productive career at conference level with Southport, Lincoln City, Barrow and Stockport County before moving to the USA.

Following a second relegation in 1956, St. Helens Town continued to play in the Lancashire Combination, winning the Championship in 1971/72, by nine points ahead of Accrington Stanley.

However, the formation of the Northern Premier League in 1968 led to a gradual drain of stronger clubs from the Combination and St. Helens joined the Cheshire League in 1975, becoming founder members of the North West Counties League seven years later. They held the proud record of being the only club

to play in the NW Counties' top flight every season until they were relegated in April 2015, conceding an injury-time equaliser to Silsden in the last game of the season, a match they had to win to stay up.

Town enjoyed a golden era in the late 1980s, just missing out on an appearance in the First Round proper of the FA Cup in 1985/86, losing to Morecambe in a Fourth Qualifying Round Replay, but they obtained ample compensation by winning the FA Vase at Wembley in 1987, beating near neighbours Warrington Town 3-2, with two goals from Phil Layhe and one from Brian Rigby.

They were regular promotion candidates for many years, largely due to the scoring exploits of Steve "Pellet" Pennington, who grabbed 216 goals in 351 games, his season's best hauls of 45 in 1993/94 and 46 in 1997/98 just failing to beat the club record of 47 scored by Phil Stainton in 1963/64. Former club captain Andy Gillespie won the NW Counties' golden boot with 34 goals in the 2015/16 season and netted another 24 times the following season.

Town moved from Hoghton Road in 2000 to ground share with St. Helens RFC, as part of the merger into the new Sporting Club St. Helens. Developing the new Saints stadium took years longer than anticipated, and when Knowsley Road closed in 2010 Town became nomads, plaig variously at Ashton Town, Ashton Athletic, Prescot Cables and Atherton Collieries. Town returned to St. Helens Borough in August 2017, playing on a 3G surface at Ruskin Drive, after St. Helens Council redeveloped the facilities.

The 2021-22 season saw Town in the NW CFL First Division North. It was a disastrous campaign, with only four wins and four draws from 36 league games. The club finished bottom of the table, 21 points adrift, and was relegated to the Liverpool County Premier League.

A consortium of Town fans bought the club from St. Helens RFC in Summer 2022. They took the decision to move it to the Cheshire League, believing it offered the most constructive environment in which to rebuild the club. It was a difficult decision, however, as it involved having to start at the bottom of that league system, a further two divisions down. The 2023/24 season was the club's first in Cheshire League Division 2. The following season Town finished 11 points clear having lost only one league game in the whole campaign, securing their first title for more than 50 years and promotion to Division 1.

The rebuild is ongoing.

RAINBOW TOFFEES

Back in May, I got a message from Paul Buckley, who's involved with Rainbow Toffees—Everton's LGBTQ+ supporters group. He wanted to know if our refugee team, Hope United, fancied a match against them to raise money for people experiencing homelessness in Liverpool.

I thought: here's an opportunity to break down walls between communities and help those most in need. Plus, let's be honest, it's the kind of thing that's bound to annoy angry people on Facebook. (That last bit was a joke... although probably true.)

Paul booked Admiral Park in Liverpool 8 and a date was set. I'd visited Admiral Park once before during Town's last year in the Liverpool County Premier League. It's an absolutely cracking community ground—grass pitch, a nice little clubhouse, and some stunning views of Liverpool's two cathedrals. They're not quite Lowe House and Parish Church, obviously, but still not too shabby.

The Hope lads boarded the minibus at Ruskin Drive, kindly provided by No Duff CIC. Based in St Helens, No Duff supports ex-service personnel and emergency service workers, and also those affected by war—which, of course, includes refugees and

asylum seekers. I'm really proud of this partnership; it's another example of how we can come together across communities for the common good.

We arrived not really knowing what to expect from the Toffee men. Turns out, they were a physical team of experienced players. Well, it is Liverpool—everyone either plays football or guitar, and more often than not, they're very good at both.

We took the lead in the first half through Hope coach Brad Coy. But the celebrations didn't last—sudden

thunder and lightning stopped play. Apparently, the FA has rules about playing during electrical storms. Who knew?

Thankfully, the skies cleared and we kicked off the second half, all a bit soggier than before. Bugger—we found ourselves 2–1 down. But the lads dug in, and thanks to the ever-reliable Abishu Beshir, we equalised. Final score: 2–2. A fair

Sniper in the stands

result, and one that felt just right for the occasion.

Hope United will be back in action on Sunday 17 August at Parr Sports, taking part in a charity five-a-side tournament.

AROUND THE CLUB

U23S

First off we'd like to thank the chairman and committee for the opportunity to manage the 23s.

Since being appointed it's been full on! With much of last year's squad moving on we've had to start again in terms of players and recruitment. It's been the most challenging part, but over the past week we finally feel we are settling down into a squad we are happy with. Pre-season has been tough - as it should be - and the games have given these young lads a taste of adult football, many of them for the first time. Some of the lads have stepped up and played for the first team and they've not looked out of place, the average age of the squad is 18 years and we do hope to add some experience before our campaign starts on the 2nd August.

Having been around this league last year we know it's a mix of youth/development teams and some experienced sides who are very direct and physical so we must be able to adapt our game. We've been given a tough start with 2 away games, starting with a trip to Winsford Town Reserves, but we can't wait to get started.

We're excited to work with this young squad and see what they can achieve.

U18S

We caught up with U18s manager Carlos Rodrigues after their pre-season friendly away to Bury FC Development.

"Today was a very difficult game against a very organised Bury side who won everything last season.

Results at this point aren't important, and it was a good test for the boys to see the level they're at.

That said, my job is to win games, but it's also to ready the players for the club - last season we transferred nine boys to the U23s and first team.

The relationship with the open age teams is very good, so hopefully we can supply more players to those teams this season.

Our job is to make the U18s strong and to prepare them for the next level, so that when they progress, they make our U23s and first team strong too."

TOWN IN ACTION

Town 2-1 Crewe FC - July 20th

Photos by Mary Castrogiovanni

Will Clapham

Town put Crewe FC to the sword in a final home pre-season game last Saturday.

Ryan Cook's 25 yard volley which was reminiscent of a Wayne Rooney volley for Manchester United against Newcastle some years ago would get the Town crowd in buoyant mood ahead of the season on 12 minutes.

Crewe had started well prior to that and the physical looking outfit showed they could also play an enterprising passing style in the opening quarter. However, when Town conceded close to half time it was down to a defensive mix up but aside from that impressive youngster Ellis Evans in goal for Town was rarely troubled.

As the Marksmen turned around for the second half to attack the clubhouse end, Paul Piert introduced you youngsters Makol Atem and Jacob Rodriguez both of whom impressed. Rodriguez showed a maturity and calmness beyond his years on the ball in midfield whilst Atem has been impressive throughout pre season and received what amounted to a standing ovation from an impressive pre season crowd that approached three figures.

After a mazy run beating three defenders Atem's cross shot was narrowly deflected wide in a passage of play that gives an indication of what might be on view at Ruskin Drive this season.

Ryan Cook's industry was again a feature of the opening exchanges in the second half and his darting run clear of the Crewe defence saw his left foot strike saved whilst the rebound was clinically finished by Charlie Simpson for a 2-1 lead that Town would never relinquish.

Cook would later miss a penalty but Town were always in control. Ellis Morris continued his good pre season form alongside Liam Diggle and Will Clapham in midfield but player of the match went to the returning Charlie Middlemore who never skipped a beat playing at the heart of the back four.
